

## A day in the life at Dovedale Kids' Club

7:45am

Good morning! Our breakfast club starts at 7:45am and you will meet all of our lovely staff, led by the Breakfast Club Site Manager, Sonya. Breakfast Club is based in the Junior Hall.

You come in and put your belongings away and then you can choose what to eat for breakfast. We have lots of options like toast, cereals, fruit, yoghurt, pancakes, waffles and brioche. You can also have something to drink, such as juice, water or milk.

When you've finished your breakfast, there's some time to play some games, do some art and craft or colouring.

At about 8:45am, Sonya will tell you it's time to put everything away and get your stuff together and get ready for class.

The Kids' Club staff will take you up to your classrooms and you're ready to start your school day!

3:15pm

Good afternoon! After a lovely day at school, it's time for after school club. Sarah is our Site Manager and she will help you get settled in.

The Kids' Club staff will collect you from your classroom with all of your belongings and if you're Reception, Year 1 or Year 2 you will be based in the Infants Hall. Sonya is the Deputy Manager and she will work closely with you while you're in Reception.

If you're in Year 3, 4, 5 or 6, you will be based in the Juniors Hall, where Debbie is the Juniors Manager.

We will do a register to make sure everybody is in and then we have time for a quick news time or show and tell. We eat a little bit of fruit during registration just in case you're hungry after your lunch. After register, you can then choose to play indoors with all of our games, dressing up clothes, home corner, or do some art and craft, or read or if the weather is nice we can play outside with all of our different outdoor equipment!

At about 4:30, it's time to tidy up for snack time. Snack is prepared by our lovely cook, Ann. The Infants eat snack in the Infants hall, and the Juniors in the Juniors hall. We have variety of hot and cold snacks throughout the week, always served with fruit and yoghurts.

After snack time is over, it's time for some more fun and games until you are ready to be collected. Kids' Club closes at 5:45pm
