

A day in the life at Woolton Kids' Club

7:45am

Good morning! Our breakfast club starts at 7:45am and you will meet all of our lovely staff, led by the Site Manager, Rosemarie. Kids' Club is based in the mobile classroom on the Key Stage 2 Playground.

You come in and put your belongings away in your cubby hole and then you can choose what to eat for breakfast. We have lots of options like toast, cereals, fruit, yoghurt, pancakes, waffles and brioche. You can also have something to drink, such as juice, water or milk.

When you've finished your breakfast, there's some time to play some games, do some art and craft or colouring.

At about 8:45am, Rosemarie will tell you it's time to put everything away and get your stuff together and get ready for class.

The Kids' Club staff will take you up to your classrooms and you're ready to start your school day!

3:15pm

Good afternoon! After a lovely day at school, it's time for after school club.

The Kids' Club staff will collect you from your classroom with all of your belongings and bring you down to the mobile.

We will do a register to make sure everybody is in and then we have time for a quick news time or show and tell. You can then choose to play indoors with all of our games, dressing up clothes, home corner, or do some art and craft, or read or if the weather is nice we can play outside with all of our different outdoor equipment!

At about 4:30, it's time to tidy up for snack time. Snack is prepared by our lovely cook, Laura. We eat snack in the upstairs hall and have a variety of hot and cold snacks throughout the week, always served with fruit and yoghurts.

After snack time is over, it's time for some more fun and games until you are ready to be collected. Kids' Club closes at 5:45pm
